

# PRAPARE

Protocol for Responding to and Assessing Patient Assets, Risks, and Experiences

Assessing Social Determinants of Health

A grayscale photograph of a medical professional, likely a doctor, wearing a white lab coat and a stethoscope. They are seated at a desk, typing on a laptop. The image is semi-transparent, serving as a background for the text.

- Patient Information
- Questionnaires
- PRA

The screenshot displays the Intergy PM software interface. At the top, a patient information bar shows: "Patient Information: Arnold, Tracey W (23y F) DOB: 01/01/2000 SSN: 823-44-7923 Account: 12". Below this is a menu bar with options: Patient, Account, Options, Work Collections, Reports, Help, Close. A sidebar on the left contains a tree view with categories like Personal, Financial, Scheduling, Encounters, Imaging, Privacy, Other, Clinical, RIS, Dx Image List, Ryan White, and Engagement. The main window has tabs for Summary, Insurance, Contacts, IDs, Extended Info, and Questionnaires (which is highlighted). A "New Questionnaire" dialog box is open, featuring fields for Patient, Form, and Reference Date. Overlaid on this is a "Select Questionnaire Form" sub-dialog box. This sub-dialog has fields for Reason Class, Reason Code, and Name Begins. Below these is a list box containing the following items: Name, GI, MRI, NPE, NRP, PAP, PRA, and SUR. The "PRA" item is highlighted with a red box. At the bottom of the sub-dialog are "OK" and "Cancel" buttons. The main dialog box also has "Close", "Help", "Print on Save", and "Save" buttons at the bottom.
